

# Exclusive Price Packages for SELLMER KLINIK Patients

For more than 10 years, Sellmer Klinik and European Sperm Bank have collaborated to offer the best options for your fertility journey. To make things easier and more affordable, we've created special packages designed for patients receiving treatment at Sellmer Klinik. Whether you're undergoing IUI, IVF, or ROPA treatment, these packages ensure you have access to high-quality donor sperm at a great price.

## Why Choose Our Special Packages?

- Save significantly on the cost of donor sperm for treatment.
- Enjoy free delivery of donor sperm, with scheduled weekly shipments to Sellmer Klinik.
- All packages include storage options, making it easy to plan for future siblings.
- Secure the same donor for all your treatments, even years apart.
